MESSAGE from the President

Happy Spring! This time of year is so beautiful as the temperature warms and flowers begin to blossom. This yearly renewal gives us the opportunity to reflect on our own lives and find places where we can warm up and blossom.

As TAAP members, we look forward to the activities that Spring brings—our annual Women of the Year luncheon, as well as the informational recruitment event and scholarship opportunities. The theme for this year's Women of the Year luncheon is "No matter the letter, We're all Greek together." As we come together in April to celebrate sorority women from around Tulsa, we hope to renew our commitments to our individual sororities and the greater Panhellenic organization. We are united in our common goals of friendship and service. Our spring recruitment event and scholarship opportunities also allow us the chance to inspire future generations of fraternal friends.

It is my hope that we take this time to reflect on our commitments to our sororities and the larger-reaching TAAP organization. May we work together to bring warmth and beauty to the Tulsa area through our friendship and service.

Fraternally,
