Phi Mu Alumnae Association is giving back to the Tulsa community! At Phi Mu's November and December meetings they collected over 70 items for the Northeastern Oklahoma Food bank, items to fill stockings for 15 homeless vets (13 men and 2 women), as well as 34 books for CMN at St. Francis Children's Hospital. They will also be cooking at the Ronald McDonald House as part of the Ronald McDonald House Guest Chef Program in January.

Hello Panhellenic Sisters, it has been a great year and I would like to thank everyone who has helped this year. Jill Tenzyhoff served as our Ways and Means chairperson and did a wonderful job with the Poinsettia sales. I would like to thank everyone who purchased plants this year and please help us next fall by purchasing and or selling to your friends. They are great quality and last a long time.

Shelley Stauffer has served as our Vice President and she and her committee have been working on the Women of the Year Luncheon. Included in this newsletter is a listing all of the women who will be honored at this year's luncheon, please consider joining us for this year's luncheon. In the past two years, we have made a conscious effort to make sure that the program ended by 1:00 and we have made that timeline each year. Also, we will once again have the beautiful floral arrangements for purchase again this year. I bought 2 arrangements last year and they thrived until the weather got to them in November.

High school seniors and their parents will be our guests at our annual Recruitment information event on Sunday, April 24, at Tulsa Historical Society. Potential new members of collegiate Greek community are encouraged to attend this information session.

Just a reminder, that our organization offers three different scholarships each year. Please reach out to your organizations and have the collegians apply for the scholarships if they meet the qualifications.

Thank you all again for a wonderful year,

Fraternally,

Yvonna Muselmann
